1983 Outlook

Morehead State University head football coach Steve Loney is hoping that his 27 returning lettermen can provide the nucleus for success as the Eagles attempt to improve on last year's 5-6 record.

"We feel very good about our depth at our running back positions," said Loney, who directed the Eagles to only their second five-win season in nine years. "We also feel good about (wide receiver) Mark Ledford and the many things he does for our ball club."

"Our concerns right now are depth in our offensive line and at quarterback," added Loney. "Our incoming freshman class will have to contribute in those areas as well as

on defense, where inexperience is our biggest concern."

Among the most noticeable losses of the Eagles' 27 departed lettermen are punter John Christopher and linebacker Danny Gooch. Christopher earned All-America honors last season, leading the nation with a 43.9 punting average and establishing nearly all the school's punting records.

Gooch, the Eagles' most valuable defensive performer last season, led the Ohio Valley Conference in tackles with 169 (89 solo, 80 assisted) and ranked fifth in the conference in tackles for loss (14 for 59).

The Eagles return 15 offensive lettermen,

including six starters. Quarterback Mike Hanlin ranked fourth in the OVC in passing last season, completing 67 of 132 attempts (50.8 percent) for 801 yards and six touchdowns.

Morehead State also features two of the conference's top four pass receivers from a year ago in wide receiver Mark Ledford (45 catches, 609 yards) and tight end David Thurkill (37 catches, 398 yards). Ledford, an honorable mention All-America pick last year, is also an impressive punt returner, returning 47 for 287 yards last year.

Sophomore Roger Cleveland was MSU's leading ground-gainer last season, producing 325 yards in 77 carries. He recorded the Eagles' only individual single-game 100-yard rushing performance last season. Fullback Ken Johnson (189 yds.) also returns in the backfield.

Tackle Tony McCoy (6-3, 240) is the lone returning starter in the offensive line, where the Eagles were hurt most by graduation. Guard David Stuke (5-11, 235), who will move to center this season, and tackle David

Bax (6-7, 260) add experience to the offensive front.

Only three starters among a dozen lettermen return for Morehead State from last year's defensive unit which ranked 14th nationally in total defense.

Half of the Eagles' six-man front line returns in the form of defensive end Keith Curry, tackle Charlie Franklin, and guard Ray Winebrenner. Curry is the top returning tackler for Morehead State, totalling 83 stops (48 solo, 35 assisted) last season. He also produced 13 tackles for a loss of 76 yards, three pass deflections, two fumble recoveries and one interception.

Franklin posted 81 tackles (42 solo, 39 assisted), 10 tackles for a loss of 65 yards

and caused three fumbles. Winebrenner earned a starting position midway through last season and produced 41 tackles.

Juniors Tony Consiglio (26 tackles) and Rob Lockhart lend experience at linebacker while senior Tim Frame and junior Melvin Knight provide support in the defensive secondary.

Senior Lenn Duff returns to handle the Eagles' place kicking duties. Duff set a new school record for field goals last season, booting eight of 10 attempts. He also converted all 18 of his extra point kicks, extending his string to 29 consecutive extra points made.

Morehead State University

Quality is the byword of Morehead State University as the institution begins its seventh decade of service. Founded in 1922 as a teacher's college, MSU became a university in 1966.

Nestled in the foothills of the Daniel Boone National Forest, Morehead State provides a learning and living environment for nearly 6,500 students and 900 faculty and staff members. The university's 500-acre campus features a 50-structure skyline dominated by the two tallest occupied structures in Eastern Kentucky, 19-story Cartmell Hall and 16-story Mignon Tower.

The university's six academic schools offer many programs of study from an associate degree to a joint doctoral program. Applied Sciences and Technology, Business and Economics, Education, Humanities, Sciences and Mathematics and Social Sciences comprise the academic schools.

MSU operates under a 10-member Board of Regents. Eight citizens are appointed by the governor of Kentucky and two seats are held by elected faculty and student representatives with full voting rights. The administrative structure consists primarily of four bureaus—academic affairs, fiscal affairs, university and regional services and student affairs.

Dr. Morris L. Norfleet became MSU's eighth president on Jan. 1, 1977. A graduate of Purdue and Kentucky, he joined the faculty and administrative staff in 1962 as director of student teaching.

Morehead State sponsors a full program of intercollegiate sports for men and women as members of the Ohio Valley Conference and National Collegiate Athletic Association. Athletic facilities include a 10,000-seat football stadium with an eight-lane oval track, a newly-completed 7,000-seat arena, a 1,200-seat baseball park, 14 all-weather tennis courts, a nine-hole golf course, an indoor swimming pool and a lighted soccer field.

Coaching Staff

Steve Loney Head Football Coach

Steve Loney accepted the challenge of rebuilding the Eagle football program when he was named Morehead State University's tenth head football coach on Dec. 5, 1980.

And in only his second year at the MSU helm, Loney directed the Eagles to a 5-6 mark in 1982, only the second time since 1973 that a Morehead State team has won five games.

Since Loney joined the MSU staff as offensive coordinator prior to his appointment as head coach, the Eagles have ranked high in conference passing statistics under his tutelage.

Morehead State's wide-tackle six defense ranked 14th nationally last season in total defense and the Eagles' defensive secondary of 1981 ranked in the top 10 nationally in pass defense.

One consensus first team All-America choice, a second team pick and an honorable mention selection were honored on a national basis in Loney's initial two seasons as the Eagles' head coach.

Loney has assembled a knowledgeable young coaching staff and his regional recruiting efforts have produced an impressive list of additions to the Eagle roster.

Loney's drive for success is a direct reflection of his performance as an athlete.

Loney lettered in four sports—football, basketball, baseball and tennis—during his four years at Marshalltown (Iowa) Senior High School, with football being his obvious area of emphasis.

He led Marshalltown to an eventful slate of sports competition as a senior. While there were no state playoffs at the time in football, Marshalltown advanced to the state playoffs in basketball with Loney as a starter.

Loney also competed in the state tournament in singles competition in tennis for Marshalltown, and the school's baseball squad was one game away from reaching the state tournament.

Loney signed with Iowa State as an offensive guard and played his initial three seasons for Johnny Majors. He played in the 1971 Sun Bowl against Louisiana State and in the 1972 Liberty Bowl against Georgia Tech.

Loney lettered his senior year in the offensive line under coach Earle Bruce. Loney stayed with Bruce at Iowa State the following season and initiated his coaching career as a graduate assistant working with the offensive line.

He earned his bachelor's degree from Iowa State in 1974 and was elevated to part-time status on the Iowa State staff. Loney coached the wide receivers that season and began his first association with former MSU Head Coach Tom Lichtenberg, who served as quarterback coach for the Cyclones.

Loney joined the staff of Missouri Western in the fall of 1975 as offensive line coach and helped guide the school to an 8-3-1 record and a berth in the Mineral Water Bowl. He was promoted to offensive coordinator the following year.

Loney then spent two seasons as head coach at Leavenworth (Kan.) High School and directed his team to a 6-3 record his initial season, the first winning campaign at the school in 15 years.

He rejoined the collegiate ranks when Tom Lichtenberg brought him to Morehead State as offensive coordinator in December of 1978, a position he held on the Eagle staff until his appointment as MSU's tenth head coach on Dec. 5, 1980.

Loney will have the individual responsibility of coaching the quarterbacks and wide receivers this year.

Origin of Eagle Nickname

It was the fall of 1926 when Morehead businessman J.M. Clayton announced he would sponsor a contest to select a nickname for the athletic teams at the town's new state college.

Miss Peaches Ellis, now Mrs. Jack Cecil of Morehead, submitted "Bald Eagles" as a suggested nickname and won the \$10 first prize.

"Bald Eagles" was used for a few years but eventually just "Eagles" was used for the sake of convenience.

A painting of the Morehead State University Bald Eagle was commissioned in 1970 and more than \$30,000 worth of prints have been sold to finance scholarships.

A Look at the Eagles' Offense and Defense

Morehead State features two out-of-the-ordinary offensive and defensive attacks in its basic football scheme—a "Permu-T" on offense and a "Wide-Tackle Six" alignment defensively.

The information on this page should provide a clearer understanding of the operations, advantages and disadvantages of both systems the Eagles will use during the 1983 season. How the MSU personnel will fit into these systems is featured on the depth chart on the opposite page.

Offense

The Eagles will operate from a "Permu-T" offensively this season. It features a basic T formation, with the name derived from permutation due to the number of alterations available within the offensive system.

The Eagles will present a number of variations from its basic T formation with a lot of motion and switching in sets.

Advantages of system appear to be four-fold for the Eagle coaching staff:

1. MSU should not be easily scouted. The same play could be run from a number of differing sets.

2. It should cause confusion for opponents' defenses in adjusting to the varying sets.

3. The MSU coaches hope to be able to use both a passing and running attack effectively from the formation.

4. Less developed players should be able to play well in formation; it should be a great equalizer in talent and experience.

Defense

Morehead State will operate in a wide-tackle six alignment for the third season in 1983.

Two guards, tackles and ends on the line and two linebackers in the gaps between the guards and tackles actually give the Eagles an eight-man front. Two halfbacks and a safety comprise the basic secondary.

The ends are probably the most versatile performers in the defense. The position can be used in stunting, breaking off the line for pass coverage or in base coverage against the run.

The defensive system creates some confusion for opposing offenses and is versatile in the number of players on the line or in secondary action.

It also provides a more aggressive attack through the Eagles' stunting moves. A number of scoring opportunities were made available last season as a result of the defensive efforts.

MSU has won the last three meetings. In 1978 the two teams battled to a 7-7 tie. A 46-0 decision in 1968 is Morehead's largest margin of victory. In last year's 28-6 MSU win, the Eagles scored a touchdown in every quarter. Morehead recorded seven quarterback sacks in last year's game and had 11 tackles for a loss. Senior Keith Curry led the MSU defense with three sacks for 25 yards and added eight tackles. The Eagles set a new school record for rushing attempts with 70 (for 281 yards) in a 14-7 MSU win in 1979.

Game Notes: Marshall holds a series lead of 10-21-3 with the first meeting in 1928. The last time the two teams played was in 1981 in coach Steve Loney's collegiate debut. The Thundering Herd scored a come-from-behind 20-17 win over the Eagles. Marshall trailed at one point in the game 17-7 but took advantage of turnover-plagued MSU fourth quarter to hand the Eagles a season opening setback. MSU senior Brian Shimer led all rushers with 85 yards and scored the game's first touchdown. Marshall has won the last four meetings between the two schools. The last game played at Jayne Stadium saw the Thundering Herd score a 35-8 victory. Thundering Herd coach Sonny Randle has won both decisions in his four years against the Eagles. Marshall returns 13 starters from last year's 3-8 squad.

Game Notes: Morehead State trails Middle Tennessee in the series between the two schools 7-25-1. The largest victory by an MSU team was a 35-9 decision in 1969 while MTSU's biggest win was last year's 30-0 game. Vince Hall paced the Blue Raiders in last season's contest by rushing for 80 yards and three touchdowns to hand the Eagles their first loss of the season. The MTSU defense held Eagle rushers to 31 yards on 30 attempts. Middle Tennessee posted only its second winning season since 1972 last year with an 8-3 mark and a third-place finish in the conference standings. MTSU has won the last two meetings between the two schools and split the last four outings. Hall heads the list of nine returning offensive performers for Middle Tennessee.

The Zips return standout linebacker Ed Grimsley from last year's 6-5 team. Akron lost just 12 lettermen to graduation. Akron's Rubber Bowl is the largest (35,482 capacity) stadium in the OVC. Ohio Valley Conference

History

The idea of forming the Ohio Valley Conference was originated in 1941, but could not be implemented until after World War II. In 1948 five schools—Morehead State, Murray State, Western Kentucky, Eastern Kentucky and Louisville—withdrawed from the Kentucky Intercollegiate Athletic Conference and were joined by Evansville in forming the original membership of the OVC. They were joined shortly thereafter by Tennessee Tech and Marshall.

The membership has changed somewhat over the years. Middle Tennessee joined the league in 1952, East Tennessee in 1957 and Austin Peay in 1962. The trio of schools replaced Louisville, which became an independent in 1949, and Marshall and Evansville, which departed in 1952.

East Tennessee withdrew in 1978, making room for Akron and Youngstown State. Western Kentucky left the league in 1982.

In 1955 the National Collegiate Athletic Association formally recognized the OVC as a major basketball conference, awarding the

league champion an automatic bid to the NCAA post-season tournament. At that time, the OVC was only the second six-team conference to obtain major status from the NCAA.

For many years the OVC has been represented in the nation's top holiday and post-season basketball tournaments. The league has also won recognition for its football program, placing representatives in a number of post-season bowl games. The OVC has achieved national recognition in NCAA Division I-AA football with a national championship and two runner-up positions in the four years of its existence.

OVC champions have also been prominent on the national scene in baseball, riflery, tennis, track, golf and cross country.

James Delany, former NCAA investigator and graduate of North Carolina, operates as commissioner of the OVC. He is the OVC's fourth commissioner, following Art Guepe (1963-75), Paul Dietzel (1975-76) and Bob Vanatta (1976-79).

Jayne Stadium

Jayne Stadium, Morehead State University's lighted 10,000-seat athletic facility, has been the home of the Eagles since 1964.

Named for William LeGrand Jayne (former MSU professor and head of the extension department), the structure replaced a 3,500-seat stadium which formerly stood on the site of today's Laughlin Health Building. Erected as part of the Breathitt Sports Center, Jayne Stadium was the first new stadium since the 1930s on a Kentucky college campus.

The Eagles opened the stadium with a 35-0 rout of Ohio Valley Conference foe Tennessee Tech. It was dedicated Oct. 17, 1964, as part of Homecoming ceremonies in the Eagles' 14-13 win over Austin Peay.

MSU won three of four games in the stadium its initial season, also defeating Murray State 17-14 and losing to Western Kentucky 9-0.

An eight-lane grasstex running track surrounds the Bermuda grass playing field. The

quarter-mile oval was inaugurated in the spring of 1965 as the site of the OVC Spring championships. The OVC meet returned to Morehead State in 1973 and 1980.

Football offices, dressing rooms, two spacious conference rooms, rest rooms, concession areas and equipment storage rooms are located beneath the west grandstand (press box side). Additional dressing facilities, concessions and rest rooms are beneath the east grandstand.

Also located on the stadium's northwest corner is the newly-completed athletic weight room, a facility funded through private donations.

Atop the west grandstand is a three-tiered press box which provides facilities for up to 30 writers, statisticians and scouts; five radio booths and four film crews. The middle section houses the university president and his guests during games, while film crews are situated on the top level.

Eagle Athletic Fund

Dr. Roscoe Playforth
Chairman—EAF Advisory Board

The Eagle Athletic Fund provides financial support through cash gifts and gifts-in-kind in order to assist in the promotion and advancement of the entire intercollegiate athletic program at Morehead State University.

The Eagle Athletic Foundation was founded in 1978, and this totally volunteer group generated approximately \$25,000 a year in support of MSU athletics. In 1980, the Eagle Athletic Foundation became the Eagle Athletic Fund and was incorporated with the

MSU Foundation, a tax-exempt organization under Section 501 (c) (3) of the Internal Revenue Code. This organization has been designated by the MSU Board of Regents to receive and administer gifts on behalf of the university. Financial records are accurately kept and are audited annually to insure total compliance with the rules of the National Collegiate Athletic Association and the Ohio Valley Conference.

Over \$80,000 is provided annually in support of athletics through the efforts of the Eagle Athletic Fund.

Membership is open to alumni, faculty, staff, students, firms, businesses, organizations, clubs and other friends of the university.

Eagle Sports Network

Rick Hesterberg

Listeners in the Eastern Kentucky region will be able to hear the Eagles via radio on the Eagle Sports Network.

WMKY-FM serves as the flagship station of the Eagle Sports Network. The 50,000-watt station, located at 90.3 on the FM dial, is licensed to Morehead State University.

A number of stations in the Eastern Kentucky area will join WMKY on the network. A 15-minute pre-game show featuring interviews from both coaches precedes each play-by-play broadcast. A post-game scoreboard show and comments from the Eagles' head coach is also part of the network broadcast.

Rick Hesterberg, sports director of WMKY radio, will provide the play-by-play this season.

A 1979 graduate of Morehead State, Hesterberg has worked on the Eagle Sports Network seven years as a color commentator, including three years as an undergraduate.

Hesterberg was honored as the outstanding undergraduate student in radio at Morehead State in 1977. He is a member of Delta Tau Delta fraternity.

A native of Cincinnati and graduate of Colerain High School, Hesterberg is married to

the former Linda Conn of Morehead. They have one daughter, Summer.
